# Rules Analysis

< SC3 > A Triball is considered Scored in a Goal if it meets the following criteria:

- a. The Triball is not contacting a Robot of the same color Alliance as the Goal.
- b. At least 2 corners of the Triball are within the Goal (i.e., are under the Net and have "broken the plane" of the outer edge of the PVC pipes that define the Goal volume).

It's HARD to

SQUEEZE IN !
